

2021 EDITORIAL PLANNING GUIDE

	Pressroom & Special Editorial	Fabrication	Bonus Distribution
JANUARY FEBRUARY 12/15/20 Ad Close	Industry Outlook Servo Technology Software for Manufacturing E-Newsletter Focus: Software	Laser Cutting Resistance Welding	
FEBRUARY 1/8/21 Ad Close Digital Issue	Automotive/EV Stamping E-Newsletter Focus: Presses		
MARCH 2/5/21 Ad Close	Mechanical Presses Press Controls/Sensing Industry 4.0/IoT E-Newsletter Focus: Automation	CNC Punching/ Tooling Arc Welding	Automotive Parts Suppliers Conference, April 28-29, Detroit, MI
APRIL 3/5/21 Ad Close	Press Feeds Stamping High-Strength Steel Preview: Great Designs in Steel Preview: FABTECH Mexico Software for Manufacturing E-Newsletter Focus: Software	Waterjet Cutting Resistance Welding	FABTECH Mexico, May 4-6, Monterrey, Mexico Great Designs in Steel, May 19, Detroit, MI
MAY 4/5/21 Ad Close	Part Handling (Transfer Systems, Robotic Press Tending) Hydraulic Presses Preview: 3D Metal Printing Experience and Tech Tour Safety E-Newsletter Focus: Presses	Bending/Folding Arc Welding	3D Metal Printing Experience and Tech Tour, June, Location TBA
JUNE/JULY 5/14/21 Ad Close	Servo Technology Lubrication Preview: Mexico Metal Forming Technology Conference Industry 4.0/IoT E-Newsletter Focus: Automation	Laser Cutting Resistance Welding	Mexico Metal Forming Technology Conference, August, Location TBA
JULY 6/8/21 Ad Close Digital Issue	Industry 4.0 E-Newsletter Focus: Software Preview: IoT Experience for Manufacturers		Printed edition distributed at IoT Experience for Manufacturers, July 20-21, Schaumburg, IL
AUGUST 7/6/21 Ad Close	Pressroom Automation Preview: FABTECH Software for Manufacturing E-Newsletter Focus: Presses	CNC Punching/ Tooling Arc Welding	FABTECH, September 13-16, Chicago, IL
SEPTEMBER 8/5/21 Ad Close	Mechanical Presses Press Controls/Sensing Industry 4.0/IoT E-Newsletter Focus: Automation	Waterjet Cutting Resistance Welding	
OCTOBER 9/6/21 Ad Close	Hydraulic Presses Preview: Hot Stamping Experience and Tech Tour Software for Manufacturing E-Newsletter Focus: Software	Laser Cutting Arc Welding	Hot Stamping Experience and Tech Tour, November, Location TBA
NOVEMBER 10/5/21 Ad Close	Servo Technology Pressroom Automation Safety E-Newsletter Focus: Presses	Bending/Folding Plasma Cutting Resistance Welding	
DECEMBER 11/5/21 Ad Close	Mechanical Presses FABTECH Wrapup Women of Excellence Awards Preview: Metal Stamping and Tool & Die Conference Industry 4.0/IoT E-Newsletter Focus: Automation	CNC Punching/ Tooling Arc Welding	Metal Stamping and Tool & Die Conference with Lubrication Technology, January 26-27, 2022, Nashville, TN

NEW IN 2021: MANUFACTURING MANAGEMENT E-Newsletter

Each month, *MetalForming* provides management-related content, including exclusive articles authored by experts in manufacturing-management issues. This is in addition to *MetalForming's* monthly TECHNOLOGY FOCUS E-Newsletter.

EXPERT COMMENTARY IN EVERY ISSUE

Editorial—Brad Kuvin, editorial director

Tooling by Design—Peter Ulintz, technical director, PMA

The Science of Forming—Daniel J. Schaeffler, Ph.D., founder and president, Engineering Quality Solutions

Cutting Edge—Eren Billur, Ph.D., founder, Billur Metal Form
